**FROM PAM:** Last night as Jonathan was moving into the dorms at the University of Missouri, we were talking about what he would learn. "The most important thing to learn in life is what the most important thing is," I said. Since

Jonathan (20) & Ariela (17 mos.)

Christmas break when I read a book of someone's near-death experience, I have been challenged again to really make the most of this life. It is so short compared to eternity. And it is so significant, more than we probably realize. We can't afford to just let it slip by. Too much is at stake. Rather, intentionality demands that we understand and act upon the reality that there is an unseen, spiritual world which affects us, and upon which we can have an effect.

The battles in the spiritual world are as real as those we hear about in

Daniel (4) telling what he is thankful for

the news. In my quiet times I've been reading about that in Daniel 10, as well as about our role in spiritual warfare in Ephesians 6. We have the awesome opportunity to impact the world that we see through our prayers because of their effect on the world that we don't see, the "heavenly realms". According to Eph. 6, we are to pray: 1) in the Spirit on all occasions

with all kinds of requests; 2) continually for all the saints; and 3) to be fearless and have the words for sharing the gospel. Our prayers alter the way this "seen" life plays out! Realizing that in a deeper way, I've found myself praying more and being more serious about our and others' prayer requests.

Ariela is now walking!

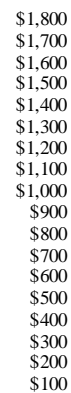

We want to thank you prayer warriors who fight on your knees, in your car, at the computer, rocking the baby, laying in bed or running on the treadmill, praying! God is using you to make a difference.

It's just 4 months till June when we move to Hungary! Please keep praying for our monthly financial support pledges of \$1,261 per month to come in. (If we had 25 more pledges of \$50 per month [whether from new individuals or churches or from current ones who increase their pledges], we would have our full support). Pray also for enough one-time donations of

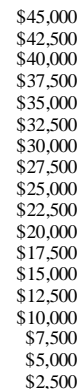

\$20,844 to cover: the deposit on our rental house; first year's visas; furniture, appliances, household items and office equipment for setting up a home and office; and purchase of a vehicle; as well as \$15,000 for language learning expense (school, curricula, tutors) which will start upon our arrival in Hungary.

Thank you for pushing back the darkness on your knees with us,  
 Pamala Price  
 (Todd, Timothy,  
 Jonathan, Elizabeth,  
 Matthew,  
 Kirsten, Daniel,  
 Ariela)

MONTHLY  
 \$1,870

ONE-TIME  
 \$47,430

**38 25 x \$50!**

We have been praying for 38 donors who can give \$50 per month. Now we only need 25 more!
