### Todd & Pamala Price Bible Translation for Bayash Roma (Gypsies) JANUARY 2014

*Budapest airport goodbyes for Elizabeth*

Our nest is getting smaller: a year ago at this time, all seven children were living in the home. Now with Elizabeth having left Budapest to return to Kansas City, we only have four of the children at home.

Elizabeth will continue her junior year at Calvary Bible College, and

Jonathan his junior year at the University of Missouri. He was able to be with us in Budapest for Christmas. (Unfortunately, Timothy could not get off work, but both he and Elizabeth plan to come on a missions trip here next summer.)

*Budapest family Christmas with Jonathan (21), Elizabeth (18), Matthew (15), Kirsten (9), Daniel (5) & Ariela (2). Timothy (23) was in Kansas City.*

Thank you for praying and for your generous financial gifts for a replacement for our van which was stolen. We have purchased a 2005 Mazda MPV 7-seat van (with 60,000 miles) from Germany. It is imported into Hungary and we should have possession of it by the first week of January.

*Homemade gingerbread house—our annual tradition*

I continue to study Hungarian at a language institute in Budapest and will begin learning the Bayash Roma (Gypsy) language this year as well which is the next step in the Bible translation process. Then I will take day trips to Bayash villages in Hungary a couple hours south of Budapest where I will work with Bayash to check the accuracy and understandability of a booklet containing five sections from the Gospel of Luke. I'll read these passages with those who speak Bayash as their mother tongue and find out whether they understand correctly the meaning of each passage. After checking these thoroughly, the booklets can then be printed and distributed. A worker is worthy of his hire so we will be paying Bayash speakers for their time and effort to

teach us Bayash and work on the translation. If you would like to give financially to support Bayash Bible translation helpers and for printing Scripture portions, please consider a year-end gift for our account #110250 S (see below for where to give online, by phone or by mail). Thank you for your faithful prayers and financial support.

Yours for God's Word among the Bayash, *Todd, Pamala, Matthew, Kirsten, Daniel & Ariela Price*
