February 2016

Todd's parents, Dr. Max & Geri Price, with Matthew [17], Kirsten [12 this month], Daniel [7] & Ariela [4]

BACK IN BUDAPEST: We are happy to back in Budapest, Hungary, after our seven-month home assignment in the States. We're thankful that we were able to spend Christmas with Pam's parents in Kansas City followed by a belated Christmas in Oklahoma City with Todd's parents. We said our goodbyes to them, then to Pam's sister, Kim, and family; this was our 8th time to say good-bye when going overseas. The Lord was gracious to us on our trip, including a Chicago-O'Hare vendor walking by who gave us free bags of Goldfish Crackers, and also a nearly empty gate to wait at and planes loading for the kids to watch.

PRAY FOR MORE WORKERS: "Therefore ask the Lord of the harvest to send out workers into His harvest." (Matt. 9:38) Among the Roma in Europe today, there is a great harvest ready, yet there are not enough workers. Would you pray that the Lord would raise up and send out more workers, foreign missionaries, national missionaries and Roma themselves, to translate and distribute God's Word among the Roma?

2 days before we left the States for Hungary, I received the printed copies of my book!

Draft of the Gospel of Mark in Slavic Ardelean Bayash

One of those Roma groups is the Ardilan Bayash people who live in northern Croatia, spread out in towns and numerous small villages. We are grateful that Roma Bible Union has produced a rough draft of the New Testament into this language and numerous copies of the Gospel of Mark have been distributed. Please pray with us that we can make progress on completing the translation. Pray specifically that: 1) many Gospels of Mark which were distributed will be picked up and read; 2) God will raise up a team of mother-tongue speakers of Bayash (Slavic Ardilean) who have a passion to translate God's Word into their heart language (we currently know of several who are interested); 3) the small churches among the Bayash will get excited about having God's Word in their language and will take on the responsibility of finishing the translation; 4) we can produce materials to train Bayash mother-tongue translators how to do Bible translation; 5) God will provide the funding to pay these mother-tongue translators for their by-the-page translation work.

THANK YOU! We are excited about what God will do through His Word and His people, including the Bayash, and including you! Thank you for being an integral part in this ministry through your love, giving and prayers.
