March 2025

L-R: Timothy, Ariela, Jonathan, Matthew, Todd, Pamala, Elizabeth, Stephen, Daniel, Kirsten

Knowing that you are praying for us and our family means so much to us. Thank you for your important ministry to all of us!

Here's an update on the family with pictures dating back to Christmas when we were together as a family with all the kids.

Ariela is 13 and in home school in the 8th grade. She loves her drama class at Mighty Roots Academy, which she and Daniel attend on Wednesdays. She is active in American Heritage Girls and with gymnastics and piano lessons. Daniel, almost 17, is in home school 11th grade. He enjoys plumbing, electrical, and HVAC work and hopes to be able to begin an apprenticeship in those fields next year. He's active in jiu-jitsu and fixing everything that breaks down at our house, both inside and out!

Kirsten turned 21 on Valentine's Day. She lives locally, a half hour from us, and works as a hotel receptionist. Matthew is 26 and lives in Atlanta. He works for Equifax, designing apps and web pages. He is finishing out the lower level of his house and making improvements so he can have renters. This year, he hopes to get a prosthetic arm with an electronic elbow and hand.

Elizabeth is 30 and a Licensed Clinical Social Worker, and her husband Stephen is 30 and works for the KCPD. They recently bought their first house and are expecting our first grandchild in late August!

Jonathan, almost 33, is a senior computer engineer for Khan Academy and lives in Crescent City, CA,

where he also owns a home with lots of garden space and some redwood trees. Timothy, 34, lives about 45 minutes from us in northern Kansas City and works for the Missouri Department of Social Services.

Our Bible translation work is going very well in Genesis with the Serbian Arli language. We've checked chapters 1-10, and the translators are doing a very good job.

I will be mentoring several people from Serbia, Slovakia, Australia and Albania as they learn to become Bible translation consultants. We'll be meeting together in Albania next month for our European conference for The Word for the World Bible Translators and will discuss their growth plans and needs as they learn to consult.

I've also been asked to consultant check the book of Matthew in a new-for-me language. It is also called Arli, but it is spoken in North Macedonia, as opposed to the Arli spoken in Serbia that we are working on in the Old Testament.

There are also opportunities for me to mentor others coming up the line to help them develop as translation consultants. Please pray for wisdom for me in this role.

Gratefully, Todd & Pamala (Daniel & Ariela) Price
